

Daryl James Epstein

151 Stadium Way Ext., Pullman, WA 99163

Mobile: 509-990-2049 / Email: djepstein@wsu.edu

Education

- 2008-2013, Bachelor of Science in Biology

Washington State University, Pullman, WA

- 2014-2019, Bachelor of Science in Civil Engineering

Washington State University, Pullman, WA

Work Experience

- **2017/Intern/Satchell Engineering & Associates, Inc.**

Reviewed submittals; prepared RFIs onto drawings; modeled using Revit; created project reports and spreadsheets with summaries of drawings from multiple ongoing and completed projects (Life Support Systems Zoos and Aquariums).

- **2013-Present/Assistant Pool Manager/City of Pullman**

Manage, train, and lead 20-40 employees; certified, screened and interviewed potential employees; created weekly and monthly schedules using scheduling software; daily use of problem-solving and crisis management to create a positive experience for customers.

Other Activities & Skills

- **RC Baja '14-'15**

Designed parts for RC car using SolidWorks, and manufactured parts to meet specifications of designs. The car is judged in a competition based on innovation as well as performance on a series of tracks.

- **Computer software**

Created models of buildings, along with schedules and spec sheets using AutoCAD and Revit. Proficiency in SolidWorks to design various instruments with moving parts. Competent in Excel, creating Macros using data sets involving open channel flow, and determining piping and pumps used to transfer storm water.

- **Environmental emphasis**

Knowledge of environmental measurement techniques for water and air quality. Background in hazardous waste remediation design, as well as waste/stormwater design.
